BAREILLY COLLECTORATE ;
The 19th June 1855.

Calcutta Collectorate Notice.

1. WHEREAS, under the Orders of Government, No. 505, of the 4th April 1855, communicated to this Office by the Commissioner of the Nuddea Division, Rule 3rd of the Canal Demurrage Rules, of the 22nd August 1853, having been modified, the modified Rule is hereby published for the information of the public :—

MODIFIED RULE.

2. "Boats undergoing repair in the Docks "adjoining the Circular Canal, or in such places "adjoining the Eastern Canal, as may be appointed by the Collector, shall, while so undergoing "repair, be charged at the rate of one-sixteenth of "the demurrage prescribed in Rule 2nd."

3. To prevent any misconstruction of the modified Rule, it is hereby explained, that in the case of a Boat of 1,000 maunds, the owner would pay Rupees 5 for admission into the Canal and be allowed nine days, within which it must pass out, or pay demurrage at the rate of Rupees 2-8 per diem. In the event of the Boat requiring repair, and BILLS at par on the Public Treasuries of the resort being had to the Dock for that purpose, the charge will be, under the present Rule, 10 Annas per diem, or Rupees 6¼ for 10 days, but under the modification now sanctioned, it would be 2½ Annas per diem or Rupees 1-9 for the 10 days.

4. The local Officer in charge of the Docks will grant Admission Tickets to the Docks from the

1st August 1855. The Tickets will be numbered in the Collector's Office. The first-half will be cut off and given to the owner of the vessel entering the Dock, and the second-half or counterpart, with the Canal Ticket held by him, will be returned to the Collector's Office, where it will remain in deposit until the owner wishes to take his Boat out of the Dock. On the day before that date, he will apply to the local Officer, who will obtain the return of the Canal Ticket, and having noted on its reverse the date of exit from the Dock, will return it to the owner or manager, taking back the first-half of the Dock Ticket from him and sending it to this Office.

WHEREAS, under the Orders of Government, No. 505, of the 4th April 1855, communicated to this Office by the Commissioner of the Nuddea Division, Rule 3rd of the Canal Demurrage Rules, of the 22nd August 1853, having been modified, the modified Rule is hereby published for the information of the public :—

MODIFIED RULE.

2. "Boats undergoing repair in the Docks "adjoining the Circular Canal, or in such places "adjoining the Eastern Canal, as may be appointed by the Collector, shall, while so undergoing "repair, be charged at the rate of one-sixteenth of "the demurrage prescribed in Rule 2nd."

3. To prevent any misconstruction of the modified Rule, it is hereby explained, that in the case of a Boat of 1,000 maunds, the owner would pay Rupees 5 for admission into the Canal and be allowed nine days, within which it must pass out, or pay demurrage at the rate of Rupees 2-8 per diem. In the event of the Boat requiring repair, and resort being had to the Dock for that purpose, the charge will be, under the present Rule, 10 Annas per diem, or Rupees 6¼ for 10 days, but under the modification now sanctioned, it would be 2½ Annas per diem or Rupees 1-9 for the 10 days.

4. The local Officer in charge of the Docks will grant Admission Tickets to the Docks from the 1st August 1855. The Tickets will be numbered in the Collector's Office. The first-half will be cut off and given to the owner of the vessel entering the Dock, and the second-half or counterpart, with the Canal Ticket held by him, will be returned to the Collector's Office, where it will remain in deposit until the owner wishes to take his Boat out of the Dock. On the day before that date, he will apply to the local Officer, who will obtain the return of the Canal Ticket, and having noted on it reverse the date of exit from the Dock, will return it to the owner or manager, taking back the first half of the Dock Ticket from him and sending it to this Office.

SATURDAY, JULY 21, 1855.

Notifications, Appointments, &c.

No. 884.

Fort William, Home Department,

The 13th July 1855.

Notification.—It has been brought to the notice of the Government that public Officers and Servants of the Hon'ble East India Company, both Civil and Military, are in the habit of reporting their departure from the Presidency to the Offices of Audit and to other Departments, and of making other communications to such Offices and Departments by means of letters upon which the postage is not paid. And it has been also represented that such unpaid letters are usually received and opened by the Officers and Departments to whom they are addressed, and that the postage due thereon is paid to the Post Office and charged in contingent bills. And lastly, it has been stated, that Officers reporting their departure from their Presidency or from India, though not on duty or in charge of any Office, are in the habit of affixing their names and official designations to letters for the purpose of passing them through the Post Office free of charge; and that covers so signed are occasionally accepted and treated by the Post Office Authorities as on the Public Service.

The Hon'ble the President in Council being of opinion that these practices are objectionable, and that it is not necessary for the Public Service that Officers and Servants of the East India Company should report their departure from India or from their Presidency, on leave or otherwise, except to the Secretary to Government in the Department to which they belong; and being further of opinion that the postage on such letters should be paid by the persons sending them; directs that, in future, Officers and other public servants proceeding on leave, if they desire to report their departure to any Officer or Department (except a Secretary to Government) and have occasion to send such reports through the Post Office, shall either prepay the postage due thereon, or send them to an Agent by whom they can be delivered free of charge to the Office to which they are addressed.

No public Officer is authorized to send covers on the Public Service by Post without payment of postage unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as "on the Public Service only" must, even though the postage thereon be not paid, be received and opened by the Officer to whom they are addressed; but if any such unpaid or partially paid letter so superscribed, and addressed to any Officer, except a Secretary to Government, be found, when opened, to be a report of departure, or otherwise to relate to the private affairs of the sender, the postage will be debited to him, and he will be further liable to be dealt with under Section 47, Act No. XVII. of 1854.

His Honor in Council further directs, that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed "on the Public Service only" be refused, or, if opened, that it be at the risk and cost of the opener.

No. 1337.

Notification.—The 20th July 1855.—The following Rules are, with the approval of the Government of India, published for general information :—

Provisional Rules for Grants in aid of Education in the Lower Provinces of the Presidency of Bengal, according to the Despatch of the Hon'ble the Court of Directors, No. 49, *dated the 19th July* 1854.

1. The local Government, at its discretion and upon such conditions as may seem fit in each case, (reference being had to the requirements of each district as compared with others, and to the funds at the disposal of Government,) will grant aid, in money, books or otherwise, to any school in which a good secular education is given through the medium either of English or the Vernacular tongue to males or females, or both, and which is under adequate local management.

2. In respect of any such school for which application for aid is made, full information must be supplied on the following points :—

1*st.*—The pecuniary resources, permanent and temporary, on which the school depends for support.

2*nd.*—The average annual expenditure on the school.

3*rd.*—The average number of pupils instructed, the ages of the pupils, and the average duration of their attendance at the school.

4*th.*—The persons responsible for the management and permanence of the school, and the time for which they will continue to be responsible.

5*th.*—The nature and course of instruction imparted.

6*th.*—The number, names and salaries of the Masters and Mistresses, and subjects taught by each.

7*th.*—The books in use in the several classes of the school.

8*th.*—The nature and amount of aid sought, and the purpose to which it is to be applied.

3. Any school to which aid may be given shall be at all times open to inspection and examination, together with all its accounts, books and other records, by any officer appointed by the local Government for the purpose. Such inspection and examination shall have no reference to religious instruction, but only to secular education.

4. The Government will not in any manner interfere with the actual management of a school thus aided, but will seek, upon the frequent reports of its Inspectors, to judge from results, whether a good secular education is practically imparted, or not; and it will withdraw its aid from any school which may be for any considerable period unfavorably reported upon in this respect.

5. In giving grants in aid, the Government will observe the following general principles. Grants in aid will be given to those schools only (with the exception of Normal schools) at which some fee, however small, is required from the scholars; and, wherever it is possible to do so, they will be appropriated to specific objects, according to the peculiar wants of each school and district.

6. No grant will in any case exceed in amount the sum expended on the Institution from private sources, and the Government will always endeavour so to give its aid that the effect shall not be the substitution of public for private expenditure, but the increase and improvement of Education.

7. It is to be distinctly understood that grants in aid will be awarded only on the principle of perfect religious neutrality, and that no preference will be given to any school on the ground that any particular religious doctrines are taught or not taught therein.
